- Stable for 6 months after bottle is opened

**Amekina® Antimicrobial Skin and Wound Cleanser** is a highly effective antimicrobial solution that provides rapid protection against a wide range of pathogens, including bacteria, viruses, and fungi. Its gentle formulation makes it safe for a broad range of applications. Amekina Spray is easy to carry and use, with no need for rinsing, activation or mixing. It can be used for preventive purposes, helps heal wounds, and is suitable for use on wounds and skin.

**Usage Instructions:**

**Skin Cleaning**

Thoroughly cleanse the area with a pre-saturated gauze pad, or spray directly onto skin.

**Wound Cleaning**

Debride wound if necessary. Spray Amekina Antimicrobial cleanser onto entire wound bed, including the wound margin. Avoid pooling.

**Dressing**

Cover affected site with a sterile gauze or other appropriate dressing.

Try Amekina Spray today, and experience its fast-acting antimicrobial benefits.
